

Tune-Tramp, tramp, tramp!

From the realms of ice and snow,  
From old tropic Mexico,  
From each corner of our own beloved state,  
Comes a happy student throng,  
Maidens fair and heroes strong,  
With an aspiration high and purpose great.

Hail, all hail, to Chaffey J. C.!  
Raise the chorus loud and free  
For her high integrity,  
Knowledge, truth, and loyalty,  
Standing fair between the mountains and the sea.

Strong in forward-looking youth,  
Strong in earnest quest for truth,  
Free from every bond of old tradition's claim,  
Chaffey J. C. offers free,  
Wealth of opportunity,  
Building for herself a high and honored name.
